

## COMUNICATO del 20 febbraio 2015

### Pagamenti indennità di Tirocinio

La Regione Marche, in riferimento alla Misura 5 – TIROCINI GARANZIA GIOVANI, come stabilito nella DGR n. 500/2014, ha stipulato con il Ministero del Lavoro e delle Politiche Sociali e l'INPS (prot. n. 0820158/17/11/2014), apposita Convenzione per l'erogazione dell'indennità di partecipazione dei giovani ai Tirocini. La Convenzione contiene le modalità di erogazione da parte dell'INPS, quale sostituto d'imposta, per conto della Regione, dell'indennità di tirocinio e stabilisce che la Regione comunichi all'INPS, entro il 10 di ogni bimestre (con decorrenza dal 10/12/2014), i nominativi dei beneficiari dell'indennità di Tirocinio, nonché l'importo da erogare, con riferimento al bimestre precedente.

Le indennità di tirocinio relative al primo gruppo che ha avviato il tirocinio nel bimestre settembre – ottobre 2014 sono state trasmesse all'INPS il 10 dicembre 2014 e successivamente l'INPS ha liquidato congiuntamente le prime due mensilità (per i tirocini avviati a settembre – il cui numero risulta esiguo) o solo quella di ottobre (per i tirocini avviati in quel mese).

In merito alla ritenuta fiscale del 23% applicata nella prima liquidazione (bimestre settembre – ottobre 2014), l'INPS ha comunicato di aver avviato le procedure di rimborso.

Le indennità di tirocinio relative al secondo gruppo, bimestre novembre – dicembre 2014, sono state trasmesse all'INPS il 10 febbraio 2015.

Le indennità sono erogate direttamente ai tirocinanti, a seguito di apposita indicazione della Regione e dietro certificazione della regolare esecuzione da parte dei soggetti promotori. L'importo delle indennità è pari ad Euro 500,00 mensili per un massimo di 6 mesi, elevabili a 12 nel caso di soggetti disabili o svantaggiati, in caso di tirocinio iniziato durante il mese il calcolo viene rapportato su base giornaliera.

La Regione Marche deve assicurare controlli di 1° livello, documentali e in loco su un campione di Tirocini messi in pagamento, questa procedura ovviamente comporta un ritardo nella liquidazione degli stessi.

Il campione su cui effettuare il controllo viene estratto in modo casuale sull'universo dei tirocinanti posti in pagamento.

Nell'elenco di seguito riportato sono indicati i nominativi dei n. 2.228 tirocinanti trasmessi all'INPS il 10 febbraio 2015, e l'importo da erogare, per un totale di Euro 1.402.417,73, come stabilito nella Convenzione sopra citata. In tale elenco sono contenuti anche gli eventuali tirocini avviati nel mese di ottobre 2014 e non inclusi nell'elenco precedente (del 10 dicembre 2014), in quanto non ancora documentati.
